

Product Safety Recall

Total Tools Importing Pty Ltd
TTI 1700kg Trolley Jack ..110646 TTIJT1700LP with batch
number 7074142018 and all other batch numbers that
were available for sale between 1 March 2017 and 4 March
2019.

DEFECT The product does not comply with the requirements of the mandatory standard 'Consumer Goods (Trolley Jacks) Safety Standard 2017'.

The labels do not contain some of the required information. One batch 7074142018 does not comply with the overload capacity tests of the standard.

HAZARD Incorrect use of the vehicle jack due to incorrect labelling or even with correct use may lead to a vehicle collapsing on a user, causing severe injury or even death.

WHAT TO DO Total Tools will provide a full refund or replacement for all TTI 1700kg Trolley Jacks with the batch number 7074142018. For the trolley jacks from different batch numbers Total Tools will provide a new permanent label that should be applied onto the product. Consumers can apply this label themselves or the jack can be returned to the nearest Total Tool Store for this label to be applied on site.

Contact details Affected consumers should contact Total Tools Toll Free on 1800 868 258 Monday – Friday 8am to 6pm or visit your local store to discuss options for remediation.
