

Product Safety Recall

Vehicle Support Stands 6,000kg

RASTD6

Sold as a pair by Repco from November 2013 to January 2018.

Defect: The main column may fracture, rather than bend, if a load is dropped on its outer most edge.

Hazard: If the column fractures the load may fall causing serious injury or death.

What to do: Customers should immediately stop using the vehicle supports stands and return them to your nearest Repco store for a full refund.

Sold by: Repco stores.

Contact details: For further information please refer to www.repcotrade.com.au or contact Repco on **1800 777 237** or qualityalert@repco.com.au.
