

Product Safety Recall

Lightforce LiFePO4 Battery Charger Power Cords with Missing Earth Pins

LIGHTFORCE 170MM LIGHTS WITH LIFEPO4 BAG PACKS
(WALK170HIDLIFE, WALK170LIFE,

WALK170LIFEVP), LIGHTFORCE BATTERY KITS & CHARGERS
(BP7LIFE, BCLP7-2, CBLP6, CBLP9C, CBLPBC), & POWER CORDS
(LPLEADAU).

Defect Some battery chargers may include power cords that do not have an earth pin.

Hazard If the power cord is used incorrectly on a product that requires an earth pin it may fail, potentially causing electrical shock, serious harm or death to the user.

What should consumers do? Consumers should stop using the charger immediately. Consumers should send all products with the affected charger to Lightforce in S.A. for a replacement. Lightforce will cover the cost of return freight. For further information consumers can contact Lightforce Customer Service on: 1800 030 308.
