

Product Safety Recall

SC80 Assassin Scorpion Bike 80cc Auto

Defect: The affected bikes do not have a braking system that complies with Consumer Protection Notice No. 24 of 2011, which requires a braking system capable of acting on the front and rear wheels.

Hazard: Bikes that do not have front and rear braking may pose an accident risk to riders.

What to do: Consumers should stop using the bike immediately and contact Assassin Dirt Bikes at recalls@assassindirtbikes.com.au or 1300 688 053, or go to 184 Taren Point Road, Taren Point, to organize the correct braking system to be fitted.
