**Defect:** The individual wool threads can detach from the pom poms, causing the wool from the pom pom to become loose and detach in clumps.

**Hazard:** If the wool detaches in clumps, this could cause a choking and suffocation hazard if ingested by young children.

**What to do:** Consumers should cease using the product immediately and return the product to their nearest Best & Less store for a full refund or cut off the pom poms on the garments with scissors.

**Contact details:** For more information, contact the Best and Less Customer Care team on 1300 135 766 (Monday to Friday 8.30am - 5.00pm) or via the website [www.bestandless.com.au](http://www.bestandless.com.au)
