

ELECTRICAL SAFETY RECALL

4 Port USB Travel Charger

Comsol Model No. WCU4WH

IDENTIFICATION:

4 Port USB Travel Charger with model no. WCU4WH printed on the side

Supplied by Comsol Pty Ltd and sold at Officeworks from May 2017 to February 2018.

HAZARD:

The main body of the USB travel charger may become separated from the detachable 2 pin plug, leaving the 2 pin plug in the electrical socket. If this happens, live pins will be exposed. There is a risk of electric shock, which can cause serious injury or death if the pins are touched while in the electrical socket.

ACTION REQUIRED:

Consumers should immediately stop using the travel charger and return it to their nearest Officeworks store for a full refund.
