colours: black / blue / red / white

Sold by JB HI-FI, Officeworks, Good Guys, LS Travel, Audio-Technica Online Store, Cannon Sound and Light, Direct Imports NZ Limited, Esel, Honeycom Solutions, Modern Musician, Murdoch University Book Shop, The RecordStore, Umart Online, Sydney Hi Fi, Winc Australia and PC Case Gear between 1 November 2019 and 18 February 2021

Defect: The battery in the charging case may overheat.

Hazard: If the battery in the charger case overheats, it poses a risk of fire, which may result in injury or property damage.

What to do: Consumers should stop charging the case and earphones, and contact Technical Audio Group to organise the return and replacement of the defective charging case.

Contact details: You can contact Technical Audio Group directly by phone on 02 9519 0900 Monday to Friday 9am – 5pm, via email at ck3twsupport@audio-technica.com.au or submit your replacement request via <https://audio-technica.com.au/contact-form/ath-ck3tw-charging-case-replacement-request/>
