

Product Safety Recall

Eva Round Mirror Cabinet – 600mm

Sold by ABI Interiors, Flooring Bathrooms & Interiors and
Regal Concept Design
1 December 2020 – 15 April 2021

Defect: The mirror door is too heavy for the strength and number of screws used to install it into the cabinetry, and may fall off.

Hazard: If the mirror door falls off it may cause injury to a person standing nearby, and/or damage to any property underneath the cabinet.

What to do: Please immediately stop using and uninstall the mirror cabinet. ABI Interiors will contact consumers and provide pre-paid postage label for return of the product. Upon return, consumers will receive a full refund and a \$300 ABI voucher.

Contact details: If you have any questions or concerns, please contact ABI Interiors on:
