

# Product Safety Recall

## Thankyou Thick & Soft Baby Wipes Value Pack

Only batch number QM1017A Exp: 01/23 11 13:59  
is affected by this recall

**Sold at Woolworths stores  
between 1 March 2021 and 30 April 2021**

**Defect** Wipes with the affected timestamp within the affected batch were manufactured without preservative. As a result, mould may grow on the baby wipes.

**Hazard** Exposure to penicillin within the mould spores may cause an adverse reaction or health complications. This may pose a risk to people allergic to penicillin, people with weakened immune systems or those with sensitive skin, including babies.

**What to do** Consumers should stop using products from the affected batch and contact Thankyou Group for a full refund. Consumers will be asked to provide a photograph of the product, if possible, before disposing of the product.

**Contact details** Consumers should contact Thankyou Group on [hello@thankyou.co](mailto:hello@thankyou.co) or 1300 655 887

**See [productsafety.gov.au](https://www.productsafety.gov.au) for  
Australian product recall information**
