

Product Safety Recall

Emerled RF Remote Controller for Smoke Alarms

Sold from smoke alarm servicing companies between
26 February 2021 to 14 May 2021

Product	Model
Emerled RF Remote Controller for Smoke Alarms	EP-SA-CONT-RF

Defect: The button battery compartment of the product may not be adequately secured and the battery may be accessible. The product contains one button battery.

Hazard: If young children gain access to the button battery and ingest them, they may suffer internal burn injuries, which can result in serious illness and even death. In addition, the battery may pose a choking hazard to young children.

What to do: Consumers should immediately stop using the product and keep it out of the reach of children.

Consumers will be contacted to arrange a replacement remote control, free of charge.

Contact: For further information, consumers can contact Emerled Pty Ltd by phoning 1300 511 148 (Monday to Friday, 9am-5pm) or via email at sales@emeraldplanet.com.au
