

# Product Safety Recall

## Magnet Balls

**Sold by Digit Fidgets and sold between  
5 June 2021 and 8 June 2021**

**Defect:** The product contains small, high-powered magnets. The product exceeds the maximum allowable magnetic flux index set by the permanent ban on certain small, high powered magnets, prescribed in Consumer Protection Notice No 5 of 2012 'Imposition of permanent ban on small, high powered magnets'.

**Hazard:** If a child swallows more than one small high powered magnet, the magnets can stick together across the walls of the child's intestine or other digestive tissue, which can lead to internal injuries and even death. The magnets may pose a choking hazard to young children (small parts).

**What to do:** Consumers should immediately stop using the product and dispose the product. Consumers can contact Digit Fidgets to organise a refund or replacement.

**Contact details:** For more information, consumers can contact Digit Fidgets via email at [sales@digitfidgets.com.au](mailto:sales@digitfidgets.com.au)
