

Product Safety Recall

Silca Chipolo Bluetooth Item Finder

**Sold by LSC Security Supplies between
1 January 2019 and 31 August 2020**

Product contains one button battery

Defect: The button battery compartment of the product may not be adequately secured and the batteries may be easily accessible.

Hazard: If young children gain access to the button batteries and ingest them, they may suffer internal burn injuries, which can result in serious illness and even death. In addition, the batteries may pose a choking hazard to young children.

What to do: Consumers should immediately stop using the product and return it to the place of purchase for a full refund. If the product has already been disposed of, consumers are asked to notify LSC Security Supplies so that the safe disposal of the products can be monitored.

Contact details: For further information, consumers can contact LSC Security Supplies by email at psr@lsc.com.au or via <https://www.lsc.com.au/contact> for more information.
