05/11/2018; 06/11/2018; 08/11/2018; 09/11/2018; 13/11/2018;
15/11/2018

The product has been available for purchase from Monday 22 October 2018 in grocery stores and convenience outlets. Only products sold in the Australian Capital Territory and neighbouring NSW towns with the use by dates of 05/11/2018; 06/11/2018; 08/11/2018; 09/11/2018; 13/11/2018; 15/11/2018 are affected.

Problem: The recall is due to a faulty seal on some of the black caps. The broken parts of those faulty caps may be found in the milk and may have the potential to be a choking hazard, if ingested. At the time of going to print, there has been no consumer complaints regarding these products.

Food Safety Hazard:

The broken parts of those faulty caps may be found in the milk and may have the potential to be a choking hazard, if ingested. Any consumers concerned about their health should seek medical advice as required.

What to do:

Consumers should not consume the product and should dispose of it and contact the Canberra Milk Consumer Enquiry Centre on 1800 677 852 to arrange a full refund of the purchase price.
