

Product Safety Recall

STIHL SR450 Mistblower

Sold by authorised STIHL dealers between
1 May 2020 and 15 July 2021

Identification:

Mistblower for spreading liquids, granules or seeds.

The mistblower can also be converted to a blower.

Serial numbers in the range 369259472 to 370391433 inclusive.

Defect: The mistblower's flywheel may be damaged or cracked and may fracture during operation.

Hazard: If the flywheel cracks, a projectile could hit the user or bystanders.

This increases the risk of serious injury.

What to do: Consumers should check if their products have a serial number within the affected range.

Consumers should immediately stop using the product and return the product to a STIHL authorised dealer for repair, free of charge.

For further information, contact your local STIHL dealer. You can find your local STIHL dealers by visiting www.stihl-dealer.com.au
