

Product Safety Recall

5mm Magnetic Magic Bucky Balls Teaching Balls

Sold online by Gadget Lab and the MyDeal Gadget Lab store
between 10 February 2021 and 26 July 2021

Defect The product contains small, high-powered magnets. The product exceeds the maximum allowable magnetic flux index set by the permanent ban on certain small, high powered magnets, prescribed in Consumer Protection Notice No 5 of 2012 'Imposition of permanent ban on small, high powered magnets'.

Hazard If a child swallows more than one small high powered magnet, the magnets can stick together across the walls of the child's intestine or other digestive tissue, which can lead to internal injuries and even death. The magnets may pose a choking hazard to young children (small parts).

What to do Consumers should immediately stop using the product and return it to Gadget Lab for a full refund, including postage costs.

Contact details Consumers can contact Gadget Lab on <https://www.gadgetlab.com.au/pages/contact-us> or via email at support@gadgetlab.com.au
