

Product Safety Recall

SureClose® READYFIT™ 180° Gate Hinge-Closer Kits

The product was available from building supply traders
between 1 August 2019 and 14 July 2021

Identification: SureClose® READYFIT™ 180° Gate Hinge-Closer Kits are used to provide closing assistance on self-closing gates weighing up to 80 kg.

The product can be used on various gate types including swimming pool gates.

Model Nos. 74108333T and 74108335T

Defect: The products may not comply with 'Australian Standard AS1926.1 2012 Safety Barriers for Swimming Pools' section 2.4.1.2.
The Gate Hinge-Closer Kits may not self close properly.

Hazard: If the gate hinge does not operate correctly and gates remained unlatched, it may not prevent unsupervised access to areas including pools and spas, posing a potential drowning risk.

What to do: Consumers should contact D&D Technologies Pty Ltd on 02 9454 7888 (Monday to Friday, 9am to 5pm AEST), or via email at sales@ddtech.com.au to arrange a repair, replacement or refund.

Consumers should ensure the gate is secured until a replacement hinge-closer has been installed.
