## Product Safety Recall

**Product:** Mini jelly cups containing konjac lactic acid

**Defect:** The jelly cups contain konjac.  
Jelly cups containing konjac are permanently banned in Australia.

**Hazard:** Konjac does not dissolve easily when eaten, so if a jelly lodges in a person's throat, it can act as a plug that cuts off air supply.

**What to do:** Consumers should not eat this product and should return it to the place of purchase for a full refund.

**Contact:** For further information contact Merry Seasons on 03 9662 3317 for a full refund.
