

Product Safety Recall

Lilly & Lolly Scoop Bunk Bed

Supplied in store and online from 09 May 2015 to 13 July 2018

Defect: The product does not comply with the mandatory standard 'Trade Practices Act 1974. Consumer Protection Notice No. 1 of 2003. Consumer Product Safety Standard: Bunk Beds'. The middle opening in the top guard rail of the bunk bed is too small.

Hazard: Potential entrapment hazard.

What to do: Consumers can drop off and collect the affected piece to be rectified. The address for drop off will be supplied by Lilly & Lolly on request.

Alternatively, consumers can request that a DIY Perspex kit be sent via mail. The kit includes a Perspex cover for the opening, a set of screws and instructions on how to install the Perspex cover. The Perspex cover will completely block the opening in the top guard rail. Please note: if consumers choose to receive the DIY kit, it is requested that photographic evidence of the remediated bunk bed be forwarded to Sydney@lillyandlolly.com.au

Contact Details: Consumers should contact Lilly & Lolly by emailing Sydney@lillyandlolly.com.au or phoning 1300 852 985 to discuss their preferred option and have the bunk bed remediated.
