

Product Safety Recall

Product Description: DC charging lead supplied with Saber Inverter Generator (**SABINV2 SABINV3**) sold at Total Tools stores from 11th July-9th August 2017.

Defects: The DC battery recharge lead may be able to be inserted into a 240V socket.

Hazard: Risk of electric shock or fire.

What to do: Cease using the DC battery recharge, unplug it from the generator and immediately return it to your place of purchase OR immediately call 03 9261 1917 to arrange the return of the leads by other means.

Contact Details: For more information please contact the Customer helpline on 03 9261 1917 Monday to Friday between 9.00am-5.00pm or email enquiries@totaltools.com.au
