

# Product Safety Recall

## Promotional LED Key Light Torch

The product was distributed by Cairns and Hinterland Hospital and Health Service between 2 July 2021 and 9 September 2021

### Identification:

Free promotional key light containing four button batteries

NAIDOC 2021 Heal Country!

The key lights were provided as part of a promotional bag that was distributed by the Cairns and Hinterland Hospital and Health Service.

**Defect:** The product's button battery compartment is not adequately secured, and the button batteries are accessible.

**Hazard:** If young children gain access to the button batteries and ingest them, they are likely to suffer severe internal burn injuries, which can result in serious illness or death. Button batteries also pose a choking hazard to young children.

**What to do:** If consumers have a key light, it should be destroyed immediately in a secure manner. If preferred, the light may be returned to Cairns and Hinterland Hospital and Health Service where arrangements will be made for it to be securely destroyed.

After disposal, consumers should notify Cairns and Hinterland Hospital and Health Service, so that the safe disposal of the products can be monitored.

For further information, contact the Cairns and Hinterland Hospital and Health Service via email at [CHHS\\_ATSIH@health.qld.gov.au](mailto:CHHS_ATSIH@health.qld.gov.au)
