

Product Safety Recall

NutTAG Find3 Bluetooth Key Finder

Sold online at www.nuttag.com.au from 2 November 2019 to 17 December 2021

A bluetooth tracker that connects with a software application to track items

The product contains one button battery

Defect: The product's button battery compartment is not adequately secured, and the button battery is accessible.

Hazard: If young children gain access to the button batteries and ingest them, they are likely to suffer severe internal burn injuries, which can result in serious illness or death. Button batteries also pose a choking hazard to young children.

What to do: Consumers should immediately stop using the product and contact Nuttag to make arrangements for the device to be repaired free of charge.

Contact Details: For further information, please contact Nuttag by phone on 1300 66 22 80, email at support@nuttag.com.au or via the website at www.nuttag.com.au
