

# Product Safety Recall

## Magnetic Balls

Sold at Paddy's Haymarket and Parklea Market  
between 22 June 2021 and 28 November 2021

### Defect

The product contains small, high-powered magnets that exceed the maximum allowable magnetic flux set by the permanent ban on small high-powered magnets.

### Hazard

If a child swallows more than one small high powered magnet, the magnets can stick together across the walls of the child's intestine or other digestive tissue, which can lead to internal injuries and even death. The magnets may pose a choking hazard to young children (small parts).

### What to do

Consumers should immediately stop using the product and return the product to the place of purchase to receive a full refund.
