

Product Safety Recall

Kawasaki Jet Skis STX160X and STX160LX MY2020-2022
Sold at Authorised Kawasaki Personal Water Craft Dealers between
1 October 2019 and 6 January 2022

DESCRIPTION:

3 Seater, 4 Stroke Jet Ski, Model Years: 2020-2022

Model Code: JT1500SLF, JT1500TLF, JT1500SMFNN, JT1500TMFNN,
JT1500SNFNN, JT1500TNFNN

DEFECT: High pressure water impact to the front hatch cover can result in the front hatch cover detaching from the watercraft.

HAZARD: If the front hatch cover detaches from the watercraft, it may propel towards the rider causing serious injury.

WHAT TO DO: Consumers should stop operating their watercraft immediately. Kawasaki Motors will notify all affected owners by direct letter or email and advise them to make an appointment for repair.

CONTACT DETAILS: For further information, consumers are urged to contact their nearest Authorised Kawasaki dealer by using the following link <https://kawasaki.com.au/dealer-locator/> or alternatively contact Kawasaki Motors Pty Ltd by using the following link, <https://kawasaki.com.au/faqs/>
