

ELECTRICAL SAFETY RECALL

ROK 450mm Metal Wall Fan

Brand ROK Model 150-23-52333

IDENTIFICATION:

Sold by Electrical Agencies Pty Ltd t/as Electaserv

The ROK 450mm Metal Wall Fan, Model 150-23-52333, picture above, is affected by the recall. The location of the rating label is located on the back of the fan.

The product was sold in Queensland, New South Wales, Northern Territory, South Australia and Victoria between 8 September 2021 and 3 February 2022.

DEFECT: The product does not comply with the Australian electrical safety standard:

1. The metallic wall mount section cover is not earthed.
2. The pull string for the oscillation on/off switch has been routed incorrectly and when in use, could cause mechanical damage to the internal wiring when operated.

HAZARD: Risk of electric shock, which can cause serious injury or death.

ACTION REQUIRED: Consumers should disconnect and stop using the fan immediately. Consumers should return the fan to the place of purchase for a full refund.
