

ELECTRICAL SAFETY RECALL

Magnetic Micro-USB Cable

**1m Micro-USB charging cable including magnetic connection piece.
Supplied with the 'Sleep Assist' model sold on Nodieee's website
between 20th May 2021 and 8th December 2021**

Defect: A manufacturing fault may cause the USB connection point to overheat.

Hazard: If the USB connection point overheats or melts, it poses a risk of fire, which may result in death, injury or property damage.

What to do: Consumers should immediately unplug the cable and remove the magnetic connection piece and dispose of both parts using the correct method, such as e-waste recycling.

Consumers can contact Nodieee to receive a refund of the value of the cable. Consumers will be asked to provide evidence that the product has been disposed of.

Contact details: For more information, consumers can contact Nodieee on support@nodieee.com
