

ELECTRICAL SAFETY RECALL

FLOS Bon Jour Unplugged Table Lamp

Sold by District Australia, Euroluce Lighting Australia, Living Edge Australia and Transforma
between 3 October 2016 and 7 December 2021

DEFECT:

The lamp's battery may overheat, causing the lamp body to warp or melt, emit smoke, or lead to a fire.

HAZARD:

Risk of fire, which may cause serious injury, death, or property damage.

ACTION REQUIRED:

Consumers should immediately stop using the lamp and disconnect it from the charger. Consumers will be provided with a replacement power supply kit, including battery, and installation instructions.
