**Defect:** The affected products do not comply with the 'Consumer Goods (Bean Bags) Safety Standard 2014. Consumer Protection Notice No. 4 of 2014 as amended'. Affected products do not have the required child-proof zipper fastenings.

**Hazard:** If the cover or inner lining has a zipper pull tag children may be able to unzip it and gain access to the filling. Polystyrene beads pose a choking or suffocation hazard for infants and young children. If a child opens and crawls into a bean bag cover the child could suffocate.

### **What Should Consumers Do?**

Consumers should immediately check if the product has a zipper pull-tag on the cover or lining. If there is a tag, immediately stop using the product and keep it out of reach of children.

Consumers should contact Sello Products Pty Ltd to obtain a full refund or exchange for a compliant product. Consumers can contact Sello Products on 03 9052 4396 or by email: [compliance@selloproducts.com.au](mailto:compliance@selloproducts.com.au)
