

ELECTRICAL SAFETY RECALL

GSM Retail Holdings Pty Ltd
CLICK Electric Panel Heaters
Models CPN1500 and CPN2500

GSM Retail Holdings Pty Ltd are conducting recall on the following products:

Identification:

Affected heaters are branded: **CLICK**, and identified with Model numbers:

CPN1500	Fineline 0331639
CPN2500	Fineline 0331640

The units were **sold between 1st March 2022 and 12th July 2022** at the following retailer:
Bunnings

What are the defects?

The supply cord is inadequately anchored to the appliance and if pulled it may become detached from the unit or become loose.

What are the hazards?

Risk of fire or electric shock causing serious injury or death.

What should consumers do?

Consumers should immediately stop using the product, unplug it from the power point and return the product to any Bunnings store for a full refund.

For Further information: Please contact Bunnings Customer Support by phone on 1800 797 586 or visit <https://www.bunnings.com.au/help-support/product-recalls>
