

Product Safety Recall

BRP Australia Pty Ltd Sea-Doo Passenger Seat MY2021-22

Sold by authorised Sea-Doo dealerships mounted to the Sea-Doo GTI, GTR, Wake 170 and Fish Pro Scout personal watercrafts MY2021-22. The passenger seat was sold separately as an accessory for the Sea-Doo RXP personal watercraft MY2021-22 from the **1 August 2020 to 24 August 2022**

DEFECT: The passenger seat may unlatch from the watercraft.

HAZARD: If the passenger seat unlatches during use, the passenger may unexpectedly fall into the water, this may cause an accident, leading to serious injury or death.

WHAT TO DO: Consumers should stop using the passenger seat and return the product to an authorised Sea-Doo Dealer for a repair, free of charge.

To find a local Sea-Doo dealer, visit <https://au.sea-doo.com/dealer-locator.html>
