

Product Safety Recall

Handlebars for certain Salsa Cutthroat and Warbird Bicycles

Whisky no9 12f carbon, Whisky no9 24f carbon, Salsa Cowbell carbon,
Salsa Cowchipper carbon 38-46 and Salsa Cowchipper carbon 48-52

Supplied nationally and online between 27 February 2018 to 7 October 2022

Defect: The handlebars may crack or break where the brake/shift levers are installed.

Hazard: If the handlebars crack or breaks the rider could lose control of the bicycle and fall, leading to serious injury.

What to do: Consumers should stop using the bicycle and should contact SCV Imports to arrange for a replacement or a full refund.

Contact Details: For further information, please contact SCV Imports by phone on 02 4353 2633 or by email info@scvimports.com.au
