

Product Safety Recall

Gigil — Wooden dumbbell rattle Baby rattle made of beechwood

Defect: The rattle does not comply with the size and shape requirements of the mandatory safety standard for toys for children up to and including 36 months of age.

Hazard: The rattle may pose a choking or suffocation hazard for young children, which can lead to severe injury or death.

What to do: Consumers should immediately stop using the rattle. Consumers should destroy the product and Gigil to arrange a full refund for the rattle. Consumers should provide a photograph to show the product has been destroyed. If the product has already been disposed of, consumers should notify Gigil so that the safe disposal of the products can be monitored.

Contact details: For more information, consumers can contact Gigil Gift Shop via gigilgiftshop@yahoo.com
