IMPORTANT

Product description: Sierra Fuel Water Separators with Collection bowl sold after November 21

Defect: Item may contain a faulty collection bowl thread ring which may not attach properly.

Hazard: This poses a fire hazard, increasing the risk of serious injury or death.

What to do: Consumers should stop using boats immediately and contact the place of purchase for advice about how to check the product's date code to determine if the product is affected. If the product is affected, the dealer will arrange for the product to be replaced with a non defective product. Consumers should not use their boat until the check has been done and, if necessary, the product replaced.
