

Product Safety Recall

Chromatic Clip-on Tuner contained in Fender FA-125 Dreadnought Acoustic Guitar Pack

This recall only relates to the tuner - other items in the FA-125 Dreadnought Acoustic Guitar Pack are not affected.

Defect: The product does not comply with the [mandatory standard for products containing button/coin batteries](#).

The tuner does not have a secure button battery compartment that is resistant to being opened by children. The tuner does not contain a warning that it contains a button battery.

Hazard: Consumers may be unaware that the tuner contains a button battery. If young children gain access to button batteries and ingest them, they are likely to suffer severe internal burn injuries, which can result in serious injury or death. Button batteries also pose a choking hazard to young children.

What to do: Consumers must immediately stop using the affected tuner and keep out of reach from children. Consumers should return their Fender FA-125 Dreadnought Acoustic Guitar Pack containing the Chromatic Clip-on Tuner to any Costco warehouse to receive a refund. Or consumers can return their affected Chromatic Clip-on Tuner to Fender Music Australia to receive a replacement tuner by contacting them with the details below.

Contact details: Consumers can get further information by email: au_consumerrelations@fender.com or by telephone: (02 8198 1300).
