

ELECTRICAL SAFETY RECALL

SCA 1.6 Amp 3 Stage Battery Charger
Model SCA12V1.6A-2 Product code 577040

IDENTIFICATION:

The product is a black, 3 stage, direct plug-in battery charger with various output leads sold only at Supercheap Auto, online and in store.

The affected units can be identified by the brand: **SCA** marked on the front, and the model number **SCA12V1.6A-2** and the batch number printed on the plug side of the device, as per the images above. This recall is limited to 4 batches sold from Dec 2021 to Nov 2022, those being "**Q042021, Q062021, Q122021 and Q062022**".

DEFECT:

The protection circuitry of the product is not compliant with Australian standards. This can cause the output connector of battery charger to become live.

HAZARD:

Risk of electric shock, which can cause serious injury or death.

ACTION REQUIRED:

Consumers should immediately stop using the battery charger and return it to your nearest Supercheap Auto store for a full refund. To find the nearest store, consumers can visit <https://www.supercheapauto.com.au/store-locator>
