

# Product Safety Recall

## Boss Audio Bluetooth Soundbar BRT18A, BRT26A, BRT26RGB, BRT27A and SSL Audio Bluetooth Soundbar SB26

A black remote control unit supplied with the Bluetooth soundbar. The unit has the letters SSL or BOSS on the front. The soundbars were sold by Aussie Powersports between 24 June 2022 - 8 November 2022.

**Defect:** The product does not comply with the [mandatory safety standard for products containing button/coin batteries](#).

The battery compartment is not adequately secured so button batteries may be accessible.

**Hazard:** If young children gain access to the button batteries and ingest them, they may suffer internal burn injuries, which can result in serious illness and even death. In addition, button batteries pose a choking hazard to young children.

**What to do:** Consumers should stop using the product immediately and store it in a safe place out of reach of children.

Consumers should then contact Aussie Powersports to arrange return of the remote control, and to receive a refund for the remote control. Alternatively, consumers can return the complete soundbar and remote unit for a full refund.

**Contact details:** For further information, contact Aussie Powersports by phone (07) 4787 4554 or email [info@aussiepowersports.com.au](mailto:info@aussiepowersports.com.au).
