

Product safety recall

Steelcraft One2 V2 Stroller, Britax One2 Stroller, Safe-n-Sound Cosy Lux Stroller and Safe-n-Sound Cosy Lux Duo Stroller

Britax Childcare Pty Ltd

Lightweight 4 wheeled strollers that convert from single to tandem mode.

Series numbers:

- Steelcraft One2 V2 Stroller - RM-S287T
- Britax One2 Stroller - RM-S287T-A
- Safe-n-Sound Cosy Lux Stroller - RM-H287A
- Safe-n-Sound Cosy Lux Duo Stroller - RM-S287T1

Reason the product is recalled

The handles may detach from these strollers due to missing rivets and the operator may lose control.

The hazards to consumers

Risk of serious injury or death to children if the operator loses control of the stroller while in use.

What consumers should do

1. Stop using affected strollers immediately.
2. Contact Britax to arrange to have the stroller inspected and repaired if necessary.
