

Product safety recall

SENCO F35XP Cordless 34-degree Nail Gun

Airco Fasteners Pty Ltd

18V battery powered nail gun supplied with two lithium-ion batteries and a charger.

Affected serial numbers:

- CS23900001 to C23999999
- CS23B00001 to C23B99999
- CS24000001 to CS2440000

Reason the product is recalled

The nail gun's firmware may allow a nail to discharge through use of the trigger alone and not via the usual 2 step actuation process.

The hazards to consumers

There is a risk of serious injury if the nail gun discharges unintentionally.

What consumers should do

1. Stop using the product immediately. Remove battery and nails from tool.
2. Check the serial number of your tool to see if you have an affected product. This can be confirmed via the Airco Brands Recall Web Page (www.aircobrands.com.au/f35xp-nailer-recall).
3. Contact Airco Brands Customer Service to arrange for your tool to be transported and repaired at no charge. Do not take your product back to the place of purchase.
