

# Product safety recall

## Energizer Hard Case Professional rechargeable spotlight

Energizer Australia Pty Ltd

Energizer hard case professional rechargeable spotlight, 1000 lumen.

Affected products have a date code of 06/2024 on the handle of the product.

---

### Reason the product is recalled

The lithium-ion battery inside the spotlight may overheat.

### The hazards to consumers

Risk of serious injury, including burns, if the battery overheats while in use.

---

### What consumers should do

1. Stop using the product immediately and check the handle of the product, to see if the date code is part of the affected batch.
2. Return the spotlight to the place of purchase to receive a full refund.

---
