

Product safety recall

Zap Pad wireless magnetic power bank 5000mAh

Zip Zap Chargers

Zap Pad wireless magnetic power bank 5000mAh

Model Number: ZZ-WMSPB-5K

Reason the product is recalled

The affected power bank can overheat when used or being charged.

The hazards to consumers

Risk of serious burn injuries and/or property damage if the power bank overheats and catches fire.

An incident has occurred.

What consumers should do

1. Stop using affected power banks immediately.
2. Contact Zip Zap Chargers to arrange for a replacement product.
3. Dispose of affected power banks in accordance with local requirements for lithium-ion batteries. Do not place power banks in domestic garbage bins. Confirmation of disposal will be sought prior to processing a replacement product.
