**Defect** The battery compartment is not adequately secured and the button batteries in the product are easily accessible.

**Hazard** If young children gain access to the button batteries and ingest them, they may suffer internal burn injuries, which can result in serious illness and even death. In addition, the batteries may pose a choking hazard to young children.

**What to do** Consumers should immediately remove the batteries and ensure these are adequately secured out of reach of children.

Stop using the product and return it to Officeworks for a full refund.
