

# Product Safety Recall

## PRODUCT RECALL ALERT Adreno Eden Speargun by Spearmaster

**DEFECT** The plastic speargun trigger mechanism can wear against the stainless sear, sear holds and releases the spear.

**HAZARD** If the speargun is discharged unintentionally and is pointed at a person it could cause serious injury or death.

**WHAT TO DO** Consumers to return the product to our retail locations for the exchange of faulty part, if unable to return to the store we will arrange for free pick and re-delivery to the customer of the fixed product.

**Contact details** For further information, consumers should contact Adreno on 07 3391 2299 via <https://spearfishing.com.au/pages/contact-us>
