

Product Safety Recall

Revelate Terrapin System 14L

Sold by Commuter Cycles between February 2019 to March 2019

DEFECT If either of the rear hooks on the seat bag loosen or break, the bag may detach from its loops.

HAZARD If the seat bag detaches or loosens from its loops, the bag may entangle in the bicycles rear wheel potentially causing serious injury to the rider and other road users.

WHAT TO DO Consumers should cease using the product immediately and return to Commuter Cycles for repairs.
