

Product Safety Recall

Summit Ratchet Axle Stands 3000kg, 5000kg and 7000kg

Sold by Burson Automotive between 1 January 2017 and 15 July 2017
CEFA

DEFECT The products are not marked with the appropriate operating instructions and the operating manuals are missing some of the required information.

HAZARD Missing operating instructions may lead to a vehicle collapsing on a consumer, causing severe injury or even death.

WHAT TO DO Consumers should immediately cease using the product and contact Burson Automotive to receive new labels to attach to the product, and a new operators manual with the appropriate instructions. Alternatively, consumers can return the product to the place of purchase for a full refund.

Contact details For more information, contact Burson Automotive on 1300 287 766 or via email reception@burson.com.au to discuss options for remediation.
