

Product Safety Recall

Flashing Rings 4 Pack

Keycode - 42060390

Available at Kmart stores between 27 August 2014 and 1 October 2019

Defect: The button batteries may not be adequately secured and the button batteries in the product may be easily accessible if the internal flashing module is removed from the ring.

Hazard: If young children gain access to the button batteries and ingest them, they may suffer internal burn injuries, which can result in serious illness and even death. In addition, the batteries may pose a choking hazard to young children.

What to do: Consumers should immediately cease using this product and return it to any Kmart store for a full refund.

Contact Details: For more information, please contact Kmart Customer Service on 1800 124 125 (Monday to Friday, 7am - 6pm AEST) or visit www.kmart.com.au
