

# Product Safety Recall

## Giant Pinner DH Flat Pedals

**Sold by authorised Giant Bicycle retailers  
between 6 October 2017 and 24 December 2019**

**Defect** The pedal's locking fastener may break or snap and cause the pedal body to separate from the spindle.

**Hazard** If the pedal body separates from the spindle while the bicycle is being ridden, the rider may lose control of the bicycle and fall, resulting in injury.

**What to do** Consumers should stop using the product and visit <https://giant-bicycles.com/au/pinner-dh-pedal-recall-2020> to lodge a request form for replacement product.

**Contact details** For more information, consumers should contact Giant Bicycle Co. via [recalls@giantbikes.com.au](mailto:recalls@giantbikes.com.au)

**See [productsafety.gov.au](https://productsafety.gov.au) for  
Australian product recall information**
