**Problem:** The recall is due to the presence of an undeclared allergen - peanuts.

**Food Safety Hazard:** There is a risk that the products with these best before dates may contain traces of peanuts. Any consumers with a peanut-related allergy or intolerance may have a reaction if the product is consumed.

**What to do:** Anyone who suffers from a peanut-related allergy should not consume any of these products and should instead return them to the place of purchase for a full refund, or contact us directly via phone 03 94879500 or via email [sacla@congafoods.com.au](mailto:sacla@congafoods.com.au).

For any consumer who does not suffer from peanut-related allergy, all Sacla` products, including products with above best before dates, continue to be safe and suitable for consumption and do not need to be disposed of or returned.
