

ELECTRICAL SAFETY RECALL

Modular Lighting Flat Moon

950/980 triangle suspension kit

IDENTIFICATION:

Supplied by Baker & McAuliffe Holdings Pty Ltd t/as JSB Lighting Australia between 1/1/2016 to 19/3/2019

HAZARD:

The cable suspension may not adequately secure the light to the ceiling and break, imposing a risk of falling which can cause crushing or serious injury to persons standing or working below.

ACTION REQUIRED:

Consumers who purchased the product from JSB Lighting Australia should ensure standing or working underneath the light is avoided and contact JSB Lighting Australia to organise a replacement cable to be installed.
