Distributed by Independence Studios

**Product Description:** A battery (not included) or USB cord (included) operated novelty light with Neon tubing effect. This product is packaged in a gift box, with an image of the product.

**Defect:** Battery pack may overheat when using USB cord

**Hazard:** Overheating could potentially cause a short circuit and internal circuitry to be damaged when the USB cord is in use.

**What to do:** Consumers should return the product to the store of purchase for a full refund or contact Independence Studios by phoning 1800 819 270 (Mon-Fri, 9am-5pm), via email at [returnis0006@isgift.com](mailto:returnis0006@isgift.com) or go to <http://www.independencestudios.com.au>
