

Product Safety Recall

FLASHING SPIDERS

Defect

The back of the spider may be torn away from the housing, exposing the battery.

Hazard

If young children gain access to button batteries and ingest them, they may suffer internal burn injuries, which can result in serious illness and even death. In addition, the batteries may pose a choking hazard to young children.

What to do

Consumers should cease using the product immediately. For a full refund including postage, consumers should return the toy to Elka Australia, PO Box 111, Milperra NSW 2214. Alternately, call (02) 9774 3777 or email sales@elka.com.au for help in returning the product.
