SAFETY RECALL NOTICE: PLEASE READ IMMEDIATELY

PAINT BALL AUSTRALIA P/L
PO BOX 164
MUDGEERABA QLD 4124

VIN number: 4XAWH68A492873911
Model: R09WH68AG
Recall Notice Bulletin: **R-09-02**

Dear Polaris *Ranger* Owner,

Polaris Industries of Medina, Minnesota is voluntarily recalling some Model Year 2009 Polaris RANGER CREW 4x4 and RANGER 6x6 models.

This letter is to notify you that Polaris Industries Inc. has determined some Model Year 2009 RANGER CREW 4x4 and RANGER 6x6 models produced on or between December 1, 2008 and June 5, 2009 may have been manufactured with a faulty rear taillight wiring harness. Polaris has discovered the harness may develop an electrical short-circuit in the taillight socket. If this occurs, excessive heat could be generated creating a potential fire risk.

Our records indicate that you are the current registered owner of an affected unit which needs to be repaired by a Polaris dealership. It is important that you contact your dealer to make arrangements to get this repair completed immediately.

Authorized Polaris RANGER dealers were issued Safety Bulletin R-09-02 on July 20, 2009. The Safety Bulletin instructs your dealer to remove the existing taillight wire harness and replace them with a new taillight wire harness kit. This work will be performed at no charge to you and will take approximately 12 minutes to complete. Please contact your local authorized Polaris RANGER dealer to arrange an appointment so the repair can be completed.

This notice was mailed to you according to our most current registration information. If you no longer own this vehicle, or if some of the contact information (such as your address or name) in this notice is incorrect, please fill out the attached form. While your Polaris ATV dealer is in the best position to answer your questions, if you have any questions your dealer cannot address, you may call our Customer Service Department at +61 3 5330 4710.

If you need assistance contacting a dealer, please call the above numbers or visit the Polaris web site at www.polarisindustries.com

We apologize for any inconvenience this may cause you.

Sincerely,

Lance Whitelock
Technical and Training Manager
